To Pick Up a Vehicle

Proceed from your gate or baggage claim to the off-airport parking shuttles area located at the center island of the Departures level roadway at all terminals. Look for the blue and white shuttle bus marked "Park N Fly" (shuttles run every five to ten minutes). Notify the shuttle driver that "Page One" has left a vehicle under your name and provide your personal identification. The driver will stop at the Park N fly entry gate to pick up an envelope containing your keys and exit ticket on the way to your vehicle. Please present the provided exit ticket to the cashier upon leaving the facility. If you have not signed a loan agreement, please sign the one provided and leave it in the glove compartment.

To Drop Off a Vehicle

Obtain a ticket upon entry to the facility and park the vehicle. Lock the vehicle and give the keys and entry ticket to the shuttle driver when boarding. Inform the driver that the car is being left for pick up by Page One" and the shuttle driver will then drive you to your designated airline. (allow yourself at least 30 minutes for this procedure).
