## To Pick Up a Vehicle

Please proceed to the baggage claim area to collect your luggage. Follow the signs directing you to O'Hare Hilton Hotel located across from the domestic passenger terminals. Access the hotel either by crossing at ground level using one of the marked crosswalks, or by following the airport signs to cross below street level. Go to the main entrance of the Hilton and see the valet on duty. Tell them that you are picking up a G. Schmitz & Associates vehicle that was left in your name; you will need to show them your driver's license and they will pull up the vehicle for you.

## To Drop Off a Vehicle

Access O'Hare airport via I-190 from either I-294 or I-90. Drive to the arrivals level of the Domestic Terminals (terminals 1,2,3). Circle around to the driveway of the Hilton which is accessible across from terminal 3. Turn left into the entrance for the Hilton. The main entrance of the Hilton is on the left and there is a valet stand adjacent to the main doors; stop there and tell the valet that you're dropping off a G. Schmitz & Associates vehicle. There is no need to take the valet ticket. You can check in at the taking the down escalator/elevator and then following the signs to terminals either by crossing the terminal drive at ground level via the marked crosswalks or by walking into the Hilton and your terminal through the subterranean corridors.
